## October 5, 2022 | Richland, Washington

Step off the boat directly into a perfectly polished park, and take a short stroll to downtown shops, eateries and attractions.

Incorporated in 1910, Richland remained a small agricultural community until it was acquired by the U.S. Army for the site of the Hanford Engineer Works—used to produce plutonium during World War II and the Cold War. ## October 6, 2022 | The Dalles, Oregon

At the end of the overland Oregon Trail, The Dalles holds a unique place in history as a jumping-off spot for pioneers, soldiers, gold miners, adventurers, gun-slingers, floozies and scallywags. The Dalles, although a part of the Oregon High Desert, features a long growing season and a relatively warm climate that supports the growing of grapes. As a result, the region is home to a wine scene unlike any other in Oregon.
